Dear Parents and Carers,

Another fabulous week at Coddington CofE Primary School and Nursery. The children are working really hard and an absolute joy – they are doing you proud.

This lunch time I had the pleasure of working alongside School Parliament and the Eco-Ambassadors. These pupil leaders have decided to spend £500 of their fundraising on animal habitats around the school site including bug hotels, hedgehog houses and bird feeders. They are also looking into bird boxes with camera feeds so they can see what's happening inside them in the classroom – if anyone has any experience of setting one of these up, please let us know!

You may start to see Year 6's with their leaver's hoodies on. Albeit a little premature, based upon parent and pupil feedback, we have decided to organise and distribute now so they get the most wear out of them. They look very smart.

Lastly, thank you to the parents who attended the PSHE policy consultation this week. With regards to teaching lessons on relationships and sex education parents requested we shared the vocabulary we use with children in each year group. We will let you know when this available on the website.

Thank you for your continued support, Mrs R. Major.
