

Welcome to Year 2

2026 - 2027

Teaching Team:

Mrs Adshead and Mrs Wells

Mrs Kennett (TA), Mrs Whitehead (HLTA/PPA cover)

Mr West (Sports Coach) on a Thursday afternoon

Welcome from the Headteacher

Dear Parents and Carers,

It is a pleasure to warmly welcome you to the year ahead at Coddington CofE Primary and Nursery School.

This booklet has been thoughtfully put together to provide you with an overview of the exciting curriculum your child will experience over the coming year, alongside the wide range of enrichment opportunities designed to support and extend learning beyond the classroom.

At the heart of our school is a commitment to developing the whole child. We strive to create a safe, inclusive and nurturing environment where every child is encouraged to grow in confidence, curiosity and character. We want all children to become inquisitive learners, ask big questions and realise their full potential.

Our school vision is:

We value each child for who they are and prepare them for who they can become.

This vision is rooted in the belief that we flourish together. We recognise that everyone matters, that we are all neighbours, and that we should act with compassion and bravery. Through strong partnerships with families and our wider community, we support children to live well together and achieve their very best.

As a Church of England school, our ethos is grounded in the Christian principle:

‘Encourage one another and build each other up.’ (1 Thessalonians 5:11)

Our school values are:

Care, Courage and Community

These values underpin everything we do, from our curriculum design to our everyday interactions. We encourage our children to show kindness, build positive relationships and approach challenges with resilience and determination, becoming confident individuals who can make a positive difference in the world.

Working in partnership with parents and carers is essential to your child’s success. Clear communication between home and school is a priority, and we will continue to share key information through our communication systems and school website throughout the year.

Thank you for your continued support. I am excited for the year ahead and look forward to seeing your child thrive in every aspect of school life.

With warm regards,

Mrs R. Major

Headteacher

Payment

We are a cashless school and collect all payments for trips and events through an app called Arbor.

The school office will provide you with login details and as a family you will be able to manage the payments.

If you are in receipt of free school meals, please contact the office for reduced amounts or flexible payment options.

If you are not in receipt of free school meals but will struggle to fund these activities, please do so or talk to Mrs Hanstock who will be able to sign post support such as the Coddington Trust Fund. We do not want money to ever be a barrier to children having these experiences so please reach out to us if you have concerns.

Uniform & Equipment Expectations

As we begin the new school year, we are tightening up on expectations around uniform, PE kits, jewellery, and other items brought into school. We appreciate your support in helping us maintain high standards for all our pupils.

Uniform

Our school uniform is:

- Burgundy jumper or cardigan
- Pale blue polo shirt
- Dark grey trousers, shorts, dress, or skirt
- *Summer option:* pale blue summer dress
- Plain black shoes (no trainers)
- White, black, or grey socks

Clothing does not need to have the school logo, although it is welcome.

Jewellery & Appearance

- Children may wear single studs in their ears only – no other jewellery
- No make-up, nail varnish or fake nails
- Watches are allowed (not smart watches)
- Hair should be neat and appropriate – no unnatural colours or extremely styles
- Hair accessories must be discreet in size, design, and colour
- Religious headdress must be either black or blue and non-patterned

PE Kit

- Plain black hooded top (school logo optional – no other logos)
- Plain pale blue t-shirt or the 'sports t-shirt' from WigglePrint
- Black tracksuit trousers, leggings, or shorts (shorts should be of appropriate length)
- Trainers – Velcro fastening please if your child cannot tie their own shoelaces.
- Long hair must be tied up on PE days

Other Equipment

- Children should bring a water bottle of appropriate size with a secure, locking lid. Stanley Cups are not suitable
- Pencil cases are not needed in Year 2 – all equipment is provided in the classroom.
- Fidgets are not allowed as standard practice, if we feel a child requires one, we will let parents/guardians know.

Healthy Eating

Snacks

Fresh Fruits and Vegetables. *apple slices, carrot sticks, grapes, cucumber, cherry tomatoes*

Whole Grains

Snacks like whole grain crackers, breadsticks, rice cakes, or oat bars (low in sugar)

Dairy

Cheese cubes, or yogurt (low sugar),

No Processed or Fried Snacks

Crisps, packaged biscuits, or other packaged snacks high in fat or salt are usually discouraged.

Portion Control

Snacks should be modest in size – just enough to tide children over between meals.

Water Only or Healthy Drinks

Water is typically the only drink allowed during snack time. Sugary drinks and sodas are not permitted.

School Meals

We can provide a fresh, healthy meal cooked on the school site daily.

Families can decide daily if they would like their child to have:

- A hot dinner, a three-week menu is provided on the website
- A cold meal, either cheese, ham or tuna mayonnaise sandwich
- A panini, either cheese or ham
- A jacket potato with cheese, cheese and beans or tuna mayonnaise

Children may decide to bring a healthy packed lunch instead (no hot food please).

Whilst the register is being taken in the morning the children will be asked what they are having for lunch. There is no need to pre-order.

School lunches are £3.40 a day and payments are added to Arbor Pay. Foundation, Year 1 and Year 2 children are eligible for universal free school meals and therefore there is no cost for these year groups.

Attendance

We know that sometimes our pupils cannot come to school because they are really unwell - and that's the right thing to do for them and other pupils. Medical advice is clear however that children with mild illness will often be well enough to attend, for example if they have a cough, or cold, without a temperature. The NHS also states that children who are taking antibiotics can still attend school. The NHS guidance 'Is my child too ill for school?' - NHS (www.nhs.uk) is designed to support parents in their decision making about mild illness.

We also know that pupils fall behind their friends and classmates when they miss school. We want the amount of missed education to be reduced as much as possible.

We believe that our community is stronger together, with all our pupils in school, on time, every day.

We are building life skills, life-long friendships and preparing your child for future success – we can only do this, if they are in school.

How to best support your child's learning

The most important way to support your child's learning is to ensure they attend school every day, arrive on time, and are ready to learn!

Here are other effective ways you can support your child's education:

- Set a regular routine for homework and bedtime.
- Communicate regularly with their teachers.
- Encourage a positive attitude toward learning.
- Promote healthy habits like good nutrition, exercise, and sleep.

Talking about school:

"Did you have a good day?" can sometimes feel overwhelming for a child and often leads to single-word answers. Try asking more specific questions to encourage meaningful conversations:

Kindness & Relationships • How did you help someone today? • Did anyone help you with something? • Did you do anything kind for a friend?	Fun & Social Moments • Did anything make you laugh today? • Who did you enjoy spending time with today? • What games or activities did you like the most?
Learning & Curiosity • What was something new you learned today? • What surprised you today? • Did you ask any interesting questions in class?	Challenges & Growth • What was the most challenging part of your day? • How did you solve a problem today? • What are you looking forward to tomorrow?

Tip: Ask just one or two questions each day and share your own answer too—this helps model open conversation and keeps it relaxed and enjoyable.
